Spring Outings and The school project

Our school paper

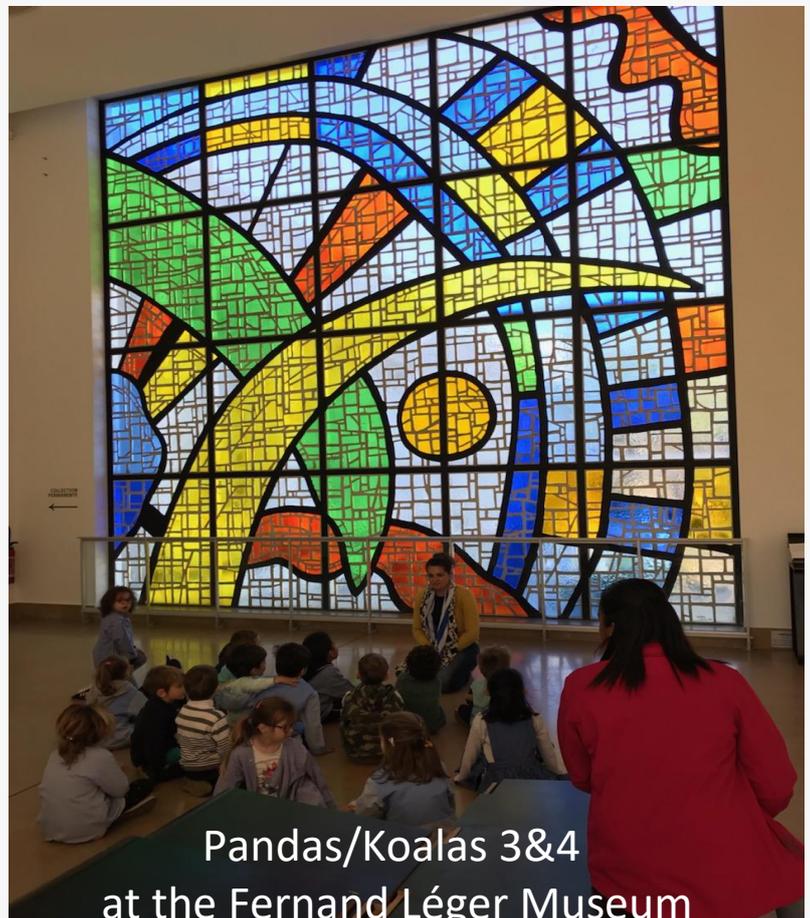

Dear readers,

Welcome to this year's **fourth** edition of our Preschool journal.

This number covers the last two months at school. You will find the latest information about our current events and about our activities.

We hope you enjoy reading our paper as much as the team did in putting it together.

March Outings

Busy Buzzy Bees with the P/K 1&2

On the 21st of March, as part of their project, Miss Karine and Maîtresse Ghislaine took their Pandas/Koalas classes to visit bee hives at the Domaine les Courmettes in Tourrettes-sur-Loup. They had a great day outdoors learning about the fascinating lives of bees and tasting honey ! The visit was in English thanks to Tristan Roussel the owner of the domaine. The children then enjoyed a picnic in the sun ! They got back tired but full of great memories and with so much learnt !

Pandas / Koalas at the Fernand Leger Museum

On the 7th and 14th March, Miss Meg took her Pandas/Koalas 3&4 classes to visit the Fernand Leger Museum in Biot. They were given a guided tour of the museum and then took part in a creative workshop making their own masterpieces that they proudly took home.

They had a picnic lunch in the park Vaugrenier and had a great time playing on the games. We'd like to thank the parents who kindly came along and made this outing such a pleasurable one.

Recycling with the Chicks and Rabbits

Miss Christina and Maîtresse Fiona explored the theme of recycling with their little Chicks and Rabbits . Bright and colourful items were made with recycled items and shown to the parents. The children had fun sorting out the rubbish and sang . Well done, little ones !

Exhibits with the Squirrels

The Squirrels with Miss Claire organized an exhibit displaying the town that the children made with recycled objects. (see photo opposite) Maîtresse Caroline's project was centered around music and recycling. The children created instruments² made out of recycled objects that they played.
